Become a Friend of Cuba Solidarity Campaign

100 friends needed to support the longterm work of the Campaign
Becoming a Friend of Cuba Solidarity Campaign is one of the best ways to support the people of Cuba.

As a Friend of Cuba Solidarity Campaign you will be contributing to the core work of CSC, directly helping our efforts to defend Cuba’s sovereignty and campaign against the illegal US blockade.

As a campaigning organisation CSC receives no grants and relies completely on fundraising and the generosity of our supporters.

We do an excellent job of raising funds for special projects, specific campaigns and for material aid projects in Cuba. But it is so much more difficult to raise funds to cover the everyday costs involved in running an organisation like CSC such as office administration, production of campaign materials and travel costs for visiting Cubans and speakers.

We are looking for 100 special supporters to help us with this guaranteed core funding that is so essential for our work.
Friends of Cuba Solidarity Campaign contribute a minimum of £200 per year
