12 July 2019

Dear friend

**Cuba Solidarity Campaign**  
**CYCLE CUBA EXPERIENCE: Revolutionary Rebel Route**  
**30 January - 9 February 2020**

Thank you for your recent enquiry about the Cycle Cuba Experience 2020.

The Cycle Cuba Experience follows our own specially designed **Revolutionary Rebel Route** which runs 355 exhilarating kilometres through western Cuba. From Soroa to Cayo Jutiás through San Diego de los Baños, climbing to the remote and rugged La Güira National Park to visit Che Guevara's secret underground HQ during the 1962 October Missile Crisis. The route passes through the lush forests of Sierra del Rosario, the tobacco fields of Pinar del Río following the Viñales Valley, with its soaring limestone *mogotes*, onto the Gulf of Mexico with its pristine white sandy beaches. We cycle to the salsa beat through dramatic scenery and along quiet rural roads away from the usual tourist trails, with opportunities to experience vibrant Cuban culture at first hand. From the finishing line we return to Havana, the salsa capital of the world, for further exploration of this fascinating capital city and to celebrate a wonderful group achievement with our famous celebratory meal at an authentic Cuban restaurant.

The Cycle Cuba Experience is a fully supported tour which is open to everyone from beginners to experienced cyclists. As well as a full time bilingual tour guide, there is full vehicle back up at all times and a trained mechanic accompanies the group. This means that while most participants complete every stage, it is also easy to opt in or out of the various stages of the day's ride.

We have run an annual sponsored cycle ride in Cuba since 1999. Hundreds have taken part in these events and successfully raised funds for vital educational and medical aid projects in Cuba, including over 20,000 asthma inhalers, 50,000 contact lenses to a children's hospital, specialist Braille printers, musical and recording equipment and speaking watches to schools for visually impaired children as well as contributing to the complete repair and renovation of the Miramar Community Theatre in Havana.

This year funds raised will go towards purchasing essential educational equipment for young Cuban school children with disabilities and supporting the vital campaign work of the Cuba Solidarity Campaign. The cycle group will deliver aid directly to an Abel Santamaria School for visually impaired students, where many essential items are in critical short supply.

The Cycle Cuba Experience is run by Cuba Solidarity Campaign in association with Havanatour UK Ltd (ATOL 4636).

**To be part of the Cycle Cuba Experience simply complete and return the enclosed registration forms with your registration fee of £250. You will then need to raise the minimum sponsorship entry level of £2,699.** We will give you plenty of fundraising tips and we're only a phone call away if you need any help.

**Past participants or two people booking together can register for only £150 each.**

Go on, grab the experience of a lifetime and register today. When you are cycling through a beautiful rural Cuban landscape by day and dancing to an intoxicating salsa rhythm by night you definitely won't regret it. Cycle Cuba Experience is a great way to break the decade's long illegal US economic blockade of Cuba and be involved in delivering essential educational equipment direct to young Cuban school children.

The tour costs include return flights with Virgin Atlantic from London Gatwick direct to Havana, UK Departure Tax, Cuban Tourist Card (visa), 10-nights accommodation based on two people sharing a twin room with en suite facilities, entrance to all visits and excursions (other than those marked as optional) and all meals listed in the itinerary. There are comprehensive back up and support services throughout the Experience including specialist back up vehicle, cycle mechanic and bilingual tour guide.

- Dedicated support team including a cycle tour manager, a fully qualified mechanic, who works with the Cuban national cycle team, and an English speaking local guide.
- 100% vehicle support. Transfers in air-conditioned coach.
- Luggage and spare parts carried on support vehicle.
- 4L of bottled water per cyclist per cycling day.
- Detailed route descriptions and daily briefing sessions.
- Hotel accommodation equivalent to 2/3/4 star standards ranging from colonial splendour and charming rural hotels.
- Full board (except 3 lunches and 2 evening meals). Pack lunch on cycle days.

After receipt of your registration fee we will send you:

- Sponsorship forms and fundraising pack including ideas to help you reach your sponsorship goal.
- A suggested training schedule.
- Cycle Cuba T-shirt.
- A detailed Information Dossier including recommended kit list.

You will need to bring your own bike and cycle helmet. The cycling is all on road. Mountain, tourer and hybrid bikes are ideal for this trip. We recommend a wide range of gears, with a good low ratio. Full details will be included in the Information Dossier. You should have experience of cycling on roads and be fit and healthy. It is recommended that you follow the suggested training schedule before departure.

What is not included: travel and health insurance, single room supplement if required (£157 per person), 3 lunches and 2 evening meals and any visits listed as optional. Flight baggage fees for transporting bike on flight are not included. If you travel light (only hand luggage apart from bike) there will be no extra fee but otherwise extra luggage fees will be payable. These are between £60-£120 based on 2018 rates.

Early booking is strongly recommended to ensure flight availability and no increase in flight costs; Virgin may levy an additional supplement as the flight becomes full. If a supplement is payable at the time of receipt of Booking Forms then we will inform you. If you choose not to continue at this point then we will arrange a full refund of your Registration Fee. We anticipate that flight prices will start to increase closer to the departure date and availability will become restricted. **We recommend that you submit your completed Booking Form as early as possible to avoid disappointment.**
