October 2025

Dear Friend,

MAY DAY TOUR TO CUBA 27 April – 7 May 2026

Thank you for your recent enquiry about the Cuba Solidarity Campaign's May Day Tour. We have been offering these popular tours since 2002 and are delighted to be back with the 2026 tour here in association with Cuban tour operator, Amistur S.A.

The May Day Tour provides an exciting opportunity to explore some of the country's key achievements in terms of health and education, meet the Cuban people in their neighbourhoods, workplaces and schools, with time to relax and enjoy the local culture and stunning scenery. The highlight for many is participation in the inspirational May Day rally in Plaza de la Revolución. This is a wonderful opportunity to see the real Cuba – urban and rural - away from the usual tourist trails and experience the gains of the Revolution as well as the problems caused by the 64 year old US blockade.

This fascinating Study Tour provides unique opportunities to:

- Attend, by special invitation, the inspiring May Day Rally joined by hundreds of thousands of Cubans in Havana's iconic Plaza de la Revolución, marking this special day in the Cuban calendar.
- Take part in the International Solidarity Conference in Havana with thousands of delegates from across the world
- Visit Pinar del Río and Viñales, set in a stunning landscape in western Cuba, while examining rural social and economic issues.
- Strengthen solidarity links with sister Trade Unions and Cuban Workers' Confederation (CTC).
- Attend a series of related professional visits including an agricultural cooperative farm, local health care centre, family doctor, school for visually impaired children, technical school and rural children's community project to gain a valuable and unique insight into the continuing achievements of the Cuban Revolution and present day Cuban society.
- Examine the challenges facing the revolutionary island as well as the problems caused by the ongoing illegal US economic blockade of Cuba.
- Meet and discuss current issues with Cuban workers in their workplaces and neighbourhoods and representatives of the Federation of Cuban Women (FMC).
- Experience a meeting with Cuban families at a local Committee for the Defence of the Revolution (CDR) community project.
- Visit Che Guevara's former strategic HQ inside Fortaleza de San Carlos in Havana.

- Have a guided walking tour of Old Havana, and visit the museum of the Literacy Campaign, and Museum of the Revolution.
- Visit the the Ecological Research Station in the Sierra del Rosario Biosphere Reserve to explore Cuba's incredible biodiversity and how Cuba is combating climate change and protecting the environment.
- Experience the captivating capital city of Havana and vibrant Cuban culture at first hand. This is a wonderful opportunity to see the real revolutionary Cuba away from the usual tourist trail, experience Cuba's rich and diverse cultural heritage and provide visible solidarity and support to the Cuban people.

The full cost of this unique 11-night tour is £2394.00 per person.

This price is based on sharing a twin room and at least 11 people on the tour. It includes a CSC tour leader from the UK as well as a Cuban tour guide who will both accompany the group. The Single Room Supplement will be £170 per person. In the unlikely event that the group size is 8-10 people there will be a 'small group' supplement of £200 per person. After the first 15 people booking there may be flight supplements to pay.

In addition, if you are currently not a member of the Cuba Solidarity Campaign, we are delighted to automatically offer you one year's free membership as part of your participation in one of our study tours. However, please don't hesitate to contact us if you would rather opt out of this free membership offer.
