Official Invitation to René González Sehwerert, Gerardo Hernández Nordelo, Ramón Labañino Salazar, Fernando González Llorca, Antonio Guerrero Rodríguez to visit Britain 08 - 18 July 2016

Dear friends,

We are writing to invite you to visit us in London for a series of meetings at the British House of Commons and at the House of Lords between 11th and 15th July 2016 to discuss the case of the Miami Five.

We have followed this case over a number of years and 126 of our fellow Members of Parliament signed a parliamentary motion on this issue in September 2012. This will give you some idea of the amount of interest there is here in this case. We are very keen to meet with you in person so that we can learn first-hand from your experiences, and better understand the detailed history of this important case.

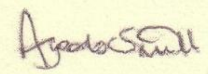

It would also be very helpful if you could expedite your application for a visa as early as possible so that we can make all the arrangements for your visit in good time. We are also writing to the British Government office responsible for issuing your visa, asking for a written response within 10 working days. We are advising them that if we do not hear from them then we will be seeking an order from the administrative court compelling them to grant you a visa.

We understand that the funding for your trip has been organised to cover all expenses, including return international flights, transfers, accommodation, and sustenance.

We look forward to seeing you in London in July 2016.

Very best wishes,

Jeremy Corbyn MP
